Creating experiences for children where they can most wholly and truly be themselves. Every child is precious and has something important to bring to the world, regardless of their apparent challenges. The Helper team comprises mostly experienced Waldorf Upper School & College Students and Parents under the leadership of Hagar Geula, Dominic Corbett, Iona Charter and Aaron Mirkin. Aaron has 20 years of experience running such camps in South Africa and England. The children grow in social awareness and confidence through shared initiatives and activities together with 80 other children. They gain new skills, and experience the challenge and joy of taking a creative project through from beginning to end.
